## TAMRAC'S DIGITAL ZOOM 4 Model 5684

**Smooth nylon lining** does not collect dust or create lint.

**Constructed of ballistic nylon.**

**Military spec. metal hardware** secures removable shoulder strap.

**Side Pockets** hold a small phone, PC card or compact card reader.

**Total coverage top** provides quick access and complete rain coverage.

**Dual Foam Technology™** combines closed-cell foam to provide maximum shock protection with open-cell foam for vibration dampening and a custom fit.

**Easy Squeeze™ quick-release buckle** assures security and fast access.

**Patented\* Memory & Battery Management System™** uses red flags to identify available memory cards and batteries.

### Tamrac's Digital Zoom Packs

Tamrac's digital zoom packs each address a specific need of the digital SLR photographer. All digital zoom packs have Dual Foam Technology™ inside that combines closed-cell foam for maximum shock protection with open-cell foam for vibration dampening and a custom fit. The front pockets feature Tamrac's patented\* Memory & Battery Management System™ which uses red flags to identify available memory cards and batteries from ones that are used up. Inside the front pocket, an additional Windowpane-Mesh™ pocket keeps extra accessories organized. Constructed of a super-strong ballistic nylon exterior with a smooth nylon interior, each can be conveniently carried using the EasyGrip™ carrying handle, shoulder strap, or on a belt.

\*U.S. patent 683050B1
